

Maths

☐ Work through an Arithmetic Paper available on our Year 2 class page. Remember to show your working out using the methods we have learnt including number lines for adding and subtracting and using arrays when multiplying and dividing.

☐ We will be learning about fractions. Can you find $\frac{1}{2}$, $\frac{1}{4}$, $\frac{3}{4}$, $\frac{1}{3}$ of items of food in your home? For example, a cake or pizza. Can you create equal parts? Take a photo of your learning.

☐ Complete the 'Colour Fractions' sheet which can be downloaded from the website.

Handwriting

☐ Practise your neat joined up handwriting by copying out the paragraph about castles on our Year 2 class page. Remember to use a sharp pencil and lined paper.

Reading

☐ Complete 'King Charles III' Reading Comprehension task available to download from our Year 2 class page. There are three different levels, choose which one is most suitable for you.

☐ Create a character profile including describing their appearance, personality, likes and dislikes. You may like to choose a character of your choice or find a King or Queen character in a book you may have.

Science

☐ We will be celebrating **British Science Week 13th – 17th March** and the theme for this year is 'Connections!'.

Create a poster to show connections of the world and science. You may like to think about these elements:

- How plants are connected to us- compare what plants need to grow and what humans need.
- You could choose one item of food and find out how it grows from farm to food and sold in shops.
- How animals are connected. You could think about what foods they eat (create a food chain) or how they are connected to their habitats.

Year 2 Home Learning Choice Grid Kings and Queens

Choose one activity to complete each week and hand in to your class teacher. You must complete a different activity each week, choosing from a range of subjects linked to your topic. Tick off the activity once you have completed it.

Some resources will be available to download from our Year 2 website page. Please ask your class teacher if you would like a printed copy or any other resources.

Writing

☐ Write a menu for a royal banquet. You may want to describe the meals in detail so that it sounds delicious enough to eat!

☐ Write a diary entry for a day in the life of a person in The Royal Family. You may like to think about what you would eat, wear and activities you would take part in.

Creative

☐ Design and make a crown or a shield.

☐ Design and make/cook a snack or meal suitable for a King or Queen. Take a photo to show us.

☐ Sketch a drawing of a castle or a royal object.

Remember...

If you would like to do any additional practice, these websites are available for you to use at home any time using your own log in:

- Times Tables Rockstars www.ttrockstars.com
- 1 minute maths (White Rose Hub) app. This can be downloaded to devices.
- Spelling Shed www.spellingshed.com
- Maths Shed www.mathsshed.com

On the Maths Shed games, you can choose with your grown up which level you think is suitable for you. We recommend that you choose from the 2s, 5s and 10s times tables game, add and subtract within 100 and number bonds to 10, 20 and 100.

History

☐ Create a chronological time line of your life. You may like to include key events with photos or drawings. For example the day you were born, first day at school, learning to ride a bike.

☐ Complete some research about a King or Queen in history. Record as a fact file.
