Headteacher: Mr. Daniel Pettitt

Friday, 16th January 2026

Dear Parents and Carers,

I am writing to you today to ask for your support for a very important cause within our school community.

One of our school families is currently facing an incredibly difficult time, as a parent in our community has been diagnosed with Motor Neurone Disease (MND). As many of you may know, MND is a progressive and life-limiting condition that places immense emotional, physical, and financial strain on those affected and their loved ones.

As a Rights Respecting school, we believe in caring for one another and showing compassion in times of need. On 19th April, I will be running my first Marathon (I never ever thought I would say that!), and I have decided that I would like to raise funds for the family.

Any donation, no matter how small, would be greatly appreciated and will make a meaningful difference. We completely understand that not all families are in a position to contribute financially, and there is absolutely no obligation to do so. Your thoughts, kindness, and support are equally valued.

You can donate by clicking the following just giving link.
<https://www.gofundme.com/f/running-for-the-horsfalls>

Thank you for taking the time to read this and for continuing to show the generosity and empathy that make our school community so special.

You can also follow our Instagram page to see our marathon journey @em_and_gem_marathon26

With sincere thanks,

Mrs Scrivener
Phase 1 Lead
