12th May 2026

Dear Parent/Carer,

Our school is taking part in Walk to School Week (18-22 May). The nationwide event organised by walking charity 'Living Streets' is designed to help pupils experience first-hand the importance of walking to school. Children will be well on their way to reaching their recommended minimum 60 minutes of physical activity per day before even reaching the school gates! Not only will it set them up for a positive day in the classroom, but it will also help create healthy habits for life.

This year's challenge, 'Mission Move', encourages children to travel actively to school every day of the week. Meeting our friendly cartoon secret agents along the way, pupils will learn about the important reasons to walk or wheel and it's benefits for individuals, communities and the environment! Each pupil will be challenged to travel sustainably (walk, wheel, scoot, cycle or Park and Stride) to school every day for one week using the wallchart and stickers to log their journeys. Each class will work collectively to make as many active journeys to school as possible across the week.

We hope your child enjoys participating in Walk to School Week.

Yours sincerely

Mrs Z King
JRSO lead
